The Secretary,
Andhra Pradesh Electricity Regulatory Commission,
4th Floor,
11-4-660, Singareni Bhavan,
Red Hills,
Hyderabad-500 004.
Ph: 044-23397381

Sir,

Sub : Vuddanda Solar Power Private Limited-Prayer to TheHonorable APERC
for passing Orders to The DISCOMS for **Extension of power supply for startup
operations or for plant maintenance withtariff** for Solar plants shall be on only energy
consumed and at the rate of equal to the 1.5 times Temporary supply tariff of
corresponding consumer HT /LT Category without any fixed charges / Contracted
Maximum Demand Charges, and minimum charges determined in the relevant Tariff -
Requested – Regarding.

Ref : (1) Practice Directions on Power evacuation for Solar, Wind, Small Hydro, Bio-mass and
Municipal Solid Waste power plants – Approval Issued.- **Proceedings No.**
APERC/Secy/ /2016 Dated: 26-07-2016

(2) Public Notice Dt 26.7.16 inviting Comments/Suggestions on the draft Policy of The
Honorable Andhra Pradesh Regulatory Commission on for Extension of power
supply for startup operations or for plant maintenance.

We submit that we are small enterprenurers and we need about 5.0 kva to 10 kva of **power supply for
startup operations or for plant maintenance** now and then in times of grid failure and for lighting
purpose etc.

We Pray The Honorable Commission for passing Orders to The DISCOMS for **Extension of power
supply for startup operations or for plant maintenance with tariff** for Solar plants shall be on only
energy consumed and at the rate of equal to the 1.5 times Temporary supply tariff of corresponding
consumer HT /LT Category without any fixed charges / Contracted Maximum Demand Charges, and
minimum charges determined in the relevant Tariff.
